Remembering the Fallen Sappers of D-Day 6 June 1944

Tuesday 6 June 2023, marks the 79th Anniversary of the D-Day landings. On that day in 1944, 359 Canadians were killed in action on the beaches of Normandy. Among these were nineteen sappers, many of who were the first Canadian soldiers to set foot on Juno Beach leading the effort to land troops on the obstacle-covered landing. D-Day was the beginning of the Battle of Normandy which lasted well into August and would claim nearly 5000 more young Canadian lives.

Next year, Canada and other allied nations will return to Normandy to mark the 80th anniversary of the landings, commemorating the service and sacrifice of the soldiers, sailors and airmen who carried out one of history's greatest military achievements.

Unfortunately, with time and the passing of the remaining veterans of Normandy, memories and interests seem to have faded. The Canadian government does not appear to have scheduled any commemorative events this year, possibly saving their efforts for next year's bigger commemoration in France. For this year, in the name of those who fought, died and suffered, it is left to us to remember. Please take a moment or two to look at our webpage [**Juno Beach Tributes: D-Day**](#)

Request for assistance: June 15 deadline to transfer PSHCP coverage / Demande d'aide : Date limite du 15 juin pour transférer la couverture du RSSFP

We are asking for your help in spreading the word to Veterans about an important **June 15 deadline**.

On 1 July 2023, the Public Service Health Care Plan (PSHCP) administrator will change from Sun Life to Canada Life. Veterans who access the plan through Veterans Affairs Canada (VAC) **need to complete Canada Life enrolment packages to avoid possibly having their PSHCP coverage cancelled.**

This impacts all Veterans or survivors with Public Service Health Care Plan (PSHCP) coverage through VAC. If Veterans are receiving coverage through VAC, they will see monthly premium deductions in their bank account. If coverage is through their pension, they are not required to complete this process. VAC plan members will also have a certificate number that starts with V50 or V59.

These members should already have received an enrolment package from Canada Life containing forms that must be completed. **Forms must be returned using the postage paid return envelope by 15 June 2023 to avoid possible coverage termination and claims payment interruptions.**

If members have not received a package, or if they have any questions, they should contact Canada Life by email at bas@canadalife.com or call 1-855-415-4414.

Please help us emphasize the importance and urgency of completing and returning these enrolment packages. Here are links to our latest social media posts on this matter. Please reshare these on your own channels where possible:

Bonjour,

Nous sollicitons votre aide pour informer les vétérans de l'importante **date limite du 15 juin.**

Le 1^{er} juillet 2023, l'administrateur du Régime de soins de santé de la fonction publique (RSSFP) passera de la Sun Life à la Canada Vie. Les vétérans qui ont accès au régime par l'intermédiaire d'Anciens Combattants Canada (ACC) **doivent remplir les trousseaux d'adhésion de la Canada Vie pour éviter que leur couverture du RSSFP ne soit annulée.**

Ce changement a une incidence sur tous les vétérans ou survivants couverts par le Régime de soins de santé de la fonction publique (RSSFP) par l'intermédiaire d'ACC. Si les vétérans sont couverts par ACC, ils verront des déductions de primes mensuelles sur leur relevé bancaire. Si leur couverture découle de leur régime de retraite, ils ne sont pas tenus de suivre ce processus. Les membres couverts par ACC ont également un numéro de certificat qui commence par V50 ou V59.

Ces membres devraient déjà avoir reçu une trousse d'adhésion de la Canada Vie contenant des formulaires qui doivent être remplis. **Ces formulaires doivent être retournés à l'aide de l'enveloppe de retour préaffranchie avant le 15 juin 2023 pour éviter une éventuelle résiliation de la couverture et des interruptions de paiement des réclamations.**

Si des membres n'ont pas reçu de trousse ou s'ils ont des questions, ils doivent communiquer avec la Canada Vie par courriel à bas@canadalife.com ou composer le 1-855-415-4414.

Nous vous demandons de nous aider à souligner l'importance et l'urgence de remplir et de retourner ces trousse d'adhésion. Voici les liens vers nos derniers messages sur les réseaux sociaux à ce sujet. Veuillez les partager sur vos propres chaînes dans la mesure du possible :

What is the maximum a Veteran must pay toward their long-term care accommodation costs?

Effective 1 October 2022, the maximum accommodation and meals monthly amount paid by a Veteran is \$1,190.63. Any supplementary charges such as the costs of semi-private or private rooms are not part of this calculation.

Do some Veterans pay less than the maximum amount?

Veterans who are admitted to care as a direct result of a condition for which they are in receipt of a disability benefit are not required to pay toward their long-term care. Also, Veterans may have a reduced contribution if they are married or have a lower income.
